CIDCO's – MEGA HOUSING SCHEME

CIDCO has been a catalyst for fulfilling the aspirations of millions of people across Maharashtra. It has successfully made a phenomenal impact over the past few years with an array of policies, digital and technological advancements, etc. for smooth participation by all stakeholders and to pass on the advantages of the initiative of Pradhan Mantri Awas Yojana (PMAY) to eligible families.

Apart from being the world's largest Mega Housing Scheme, it has a unique distinction: most houses are being developed on the 'Transit Oriented Development' (TOD) concept. Thus, homes are being created in the proximity of railway stations, metro stations, etc. to ease the commuting of citizens and save money and time on daily travel.

Another unique feature is the excellent quality of houses produced through innovative precast, green, and modern building technologies. These are fast paced construction techniques that offer strength and durability to the building. The specifications, finishes, etc. are also at par with comparable products available. CIDCO has the core strength of a competent technical backbone that creates eligibility to achieve this large aim.

MESSAGE FROM VICE CHAIRMAN & MANAGING DIRECTOR

CIDCO has launched a Mass Housing Scheme of 26,000 tenements on 11th October, 2024 on the eve of Dussehra. Under the Pradhan Mantri Awas Yojana Scheme, CIDCO has undertaken the construction of 67,000 houses (tenements) across various nodes of Navi Mumbai. In the first phase, a housing scheme named "My Preferred CIDCO Home" has been announced for 26,000 tenements. These tenements have been made available for citizens from the Economically Weaker Section (EWS) and Lower Income Group (LIG) in Kharghar, Khandeshwar Railway Station Area, Mansarovar, Panvel, Taloja, and Ulwe node in Navi Mumbai. As per its name, the scheme will allow the applicants the option to select their order of preferences for the tenements.

CIDCO has always been at the forefront for providing affordable homes for different income groups. CIDCO is on fast-track towards achieving the goal of houses set under the PMAY, enabling quick availability of homes to the common citizens. The transparent online application process has further enhanced the credibility of CIDCO's housing schemes.

This Mass Housing Scheme has three phases. In the first phase, applicants will register and submit the documents; in the second phase, they will pay the booking amount and give their order of preferences for the tenements; and in the third phase, the lottery process will be conducted. This ensures that applicants can easily complete their registration process. This scheme offers an opportunity to buy a home in Navi Mumbai, a city well-equipped with infrastructure. Therefore, more and more citizens should take advantage of this scheme.
